Under the hood you will find a 3.0-litre turbocharged inline-six engine producing about 395 horsepower and 406 lb-ft of torque paired with all-wheel drive and an 8-speed automatic transmission. The powertrain delivers strong acceleration and composed handling while also offering reasonable highway comfort. Fuel consumption is estimated around 13.1 L/100 km in city driving and about 9.1 on the highway in Canadian testing. Inside the cabin you will appreciate a suite of luxury and tech amenities crafted for convenience and comfort. Standard equipment includes a sliding panoramic roof over first and second rows with power sunshade, heated steering wheel, wireless device charging pad, keyless entry with push-button start and a power liftgate for effortless cargo access. The infotainment system features the 13.1-inch Pivi Pro touchscreen with connected navigation plus Apple CarPlay and Android Auto compatibility and streaming via Bluetooth. Safety and driver assistance are strong points of the P400 Dynamic SE's standard spec. You get features like adaptive cruise control with steering assist, lane keep assist, blind spot assist, front and rear parking aids, a 3D surround camera system, and emergency braking. Visibility is improved by LED headlights with automatic high beam assist, rain sensing windshield wipers, heated side mirrors with auto-dimming for driver side, rear window with defroster, and privacy-tinted rear glass for added comfort.
