## Retailer Comments

Additional options included: Black Exterior Styling Pack Dynamic Handling Pack Cold Climate Pack The 2026 Land Rover Range Rover Evoque P250 S continues to define the luxury compact segment with its unmistakable "baby Range Rover" silhouette and high-fashion aesthetic. For the Canadian urbanite, the P250 powertrain is the ideal companion; its 246 hp turbocharged engine provides snappy mid-range torque for city darting, while the standard Terrain Response® 2 system ensures the Evoque remains unfazed by sudden Canadian snow squalls or icy side streets.
