Additional options included: Cold Climate Pack 20" Diamond Turned Wheels - Style 5089 Body-Coloured Roof Tow Hitch Receiver Meridian Surround Sound System The 2025 Land Rover Discovery Sport Dynamic SE remains the ultimate multi-tool of the luxury compact SUV world. The Dynamic SE trim strikes the ideal balance of sportier aesthetics and high-value tech. The 246 hp turbocharged Ingenium engine provides punchy, reliable performance, while the standard Terrain Response® 2 system automatically adjusts the vehicle's drive settings to tackle everything from deep slush on the 401 to muddy trails in the Rockies. Inside, the Discovery Sport has been refined with a minimalist, high-tech cabin centered around the elegant 11.4-inch Pivi Pro curved glass touchscreen. Unlike many of its competitors, it maintains its reputation for class-leading utility with a fixed panoramic roof that makes the cabin feel incredibly airy and a generous 4,409 lb towing capacity. Whether you're utilizing the 3D Surround Camera to squeeze into a tight downtown spot or relying on the Meridian™ Sound System for a weekend road trip, the Discovery Sport Dynamic SE proves that you don't need to sacrifice legendary Land Rover capability to enjoy a modern, premium driving experience.
