Commentaires du détaillant

Additional options included: 3D Surround Camera 20" Wheels - Dark Agate Grey (Style 1085) The 2026 Land Rover Range Rover Evoque P250 S continues to define the luxury compact segment with its unmistakable "baby Range Rover" silhouette and high-fashion aesthetic. For the Canadian urbanite, the P250 powertrain is the ideal companion; its 246 hp turbocharged engine provides snappy mid-range torque for city darting, while the standard Terrain Response® 2 system ensures the Evoque remains unfazed by sudden Canadian snow squalls or icy side streets. The 2026 model has been further refined with a minimalist interior that trades cluttered buttons for the elegant 11.4-inch floating curved glass Pivi Pro interface. Despite its compact footprint, the Evoque S doesn't hold back on flagship-level tech, featuring the incredible ClearSight Ground View—which effectively makes the hood "transparent" on the screen—and a standard Sliding Panoramic Roof that brightens the premium Grained Leather cabin. With its flush deployable door handles and Meridian™ Sound System, the Evoque S isn't just a vehicle; it's a sophisticated piece of wearable technology designed for the modern metropolitan landscape.
